

# Carbon Fiber Key Fob Cover

(15-17 Mustang)  
(Remote Start/Auto)

## Contents:

- (1) Front Key Fob Cover
- (1) Back Key Fob Cover

## Tools Required:

- Clean Towel
- Cleaning Solution

### Step 1\\

Begin by cleaning your factory key fob of any dirt or debris.

### Step 2\\

Insert the back key fob cover onto the key fob.

### Step 3\\

Insert the front key fob cover onto the key fob.

### Step 4\\

Secure the front and rear key fob covers to the key fob by clicking them together. Installation is now complete.
