

**Chrome Antenna Flame Accent
2005-2009 Mustang
PN: 15552**

Thank you for purchasing Modern Billet's Chrome Antenna Flame Accent for your 2005-2009 Mustang. Our billet pieces are made from the highest quality 6061 T6 Billet aluminum that is then triple chrome plated and polished to a brilliant shine. This Chrome Antenna Flame Accent will certainly help your late model Pony stand out from the crowd.

To install, simply clean around factory antenna bezel with the supplied alcohol prep pads, peel backing from supplied 3M adhesive, and place Chrome Antenna Flame Accent around factory antenna bezel. Installation is best performed in temperatures over 50 degrees Fahrenheit, and adhesive will fully cure within 24 hours. Cleaning should be performed with a mild cleaner and soft, clean terry cloth.

We at Modern Billet are confident that you will appreciate both the quality and function of our billet interior pieces and look forward to your future business. Modern Billet's entire line of billet interior pieces, billet grilles, and body parts can be seen online at AmericanMuscle.com
