

## Installation Instructions for Rally Stripe 6-Speed Shift Knob w/ 5.0 Logo - Black/White

**Tools Required:** None

**Installation Time:** 5 minutes

**Step 1:** Get a good grip and rotate the stock knob COUNTER CLOCKWISE until it unscrews

**Step 2:** Thread on reverse lock out collar (Separate piece required; sold by AM item# 389115)

**Step 3:** Thread on your new shift knob until it reaches your desired position and then rotate the lock out collar COUNTER CLOCKWISE until it meets the bottom of the shift knob

**Step 4:** Check reverse lockout functionality is intact and the install is complete

## Before/After Pictures

Installation Instructions Created and Submitted by AmericanMuscle customer, James B. - 7/28/16. Work completed on "Dorothy" his '16 Mustang GT w/PP
