

1986-1997 MUSTANG V8

WINDSHIELD WASHER RESERVOIR CAP CHROME COVER

This chrome-plated windshield washer reservoir cap cover was designed to simply fit over the original cap.

INSTALLATION INSTRUCTIONS -

Be sure engine is cool and the ignition off.

Carefully clean and dry the original cap.

Remove the protective sheet off the double-sided adhesive tape on the back of the new chrome cover.

Affix the chrome cover to the original cap.

To clean simply us a damp cloth, window cleaner or mild chrome polish.
