

Mustang Cobra Grille Emblem With Bracket Installation Guide (94-04)

The below installation instructions work for the following products:

- **1994-2004 Ford Mustang Cobra Emblem**

Whether you purchased this emblem to add some style to your base mustang or to spice up your Cobra, the cobra grille emblem is one of the easiest and cheapest styling modifications available.

Installation Time:

- 5 Minutes

Tools Required:

- Torx Screwdriver (T25 Torx Bit)

Installation:

1. Removing the stock emblem from the car:
 - Remove the 2 torx screws which are located on the top of the factory emblem (be sure to set these aside for later use).
 - Once you have removed the screws, pull the emblem in an upward direction to remove it from its slot.

2. Installing the cobra emblem:
 - Line up the holes on the new Cobra emblem to the original holes you just removed the screws from.
 - Screw in the 2 original torx screws.
3. What are you waiting for? You're done! Go cruise around and show off that new emblem!
